GUNSLINGERS CREATE HAVOC AT RATTLESNAKE RIDGE FOR BEGINNING OF THE 2012 SEASON!

GUNFIGHTERS TAKE OVER THE TOWN AND SEND LEAD DOWN RANGE

MATAMORAS, PA, April 15, 2012

The sound of gunfire and the smell of gun powder permeated the air as the sleepy town of Rattlesnake Ridge in NE PA. was awakened by the arrival of 40 gunslingers.

For many, it was their first match of the year. There was a little rust on their trigger fingers, but they soon got in the groove.

The Bonus Target on Stage 1 proved to be a worthy challenge for their sharpshooting skills. However, 17 shooters were able to hit the chicken target at about 30 yards.

The lady manequin on Stage 6... well, that's a story for another time. The photos of **Loose Change** were bought by The National Inquirer. They should be on the news stands in a few weeks. We couldn't publish them here.

Loose Change asks... "Photos?... What photos?"

The 50/50 drawing this month was won by **Pecos Pav** (\$62). He will probably need that to put towards his attorney's fee to fight the harrasment charge initiated by the same lady manequin on Stage 6.

Special appreciation goes to **Anita** and **Cathy** who kept the kitchen open for a late

lunch for some pretty hungry cowpokes. The food was excellent. We will remedy that situation at future matches by breaking for lunch between 12 noon and 1pm.

Hammerin Steel guided the 4 Buckaroos through the match. Thanks to him and everyone else who gave guidance to our young shooters. They are the future of CAS and gun sports in general.

TOP SHOOTER

Hammerin Steel was our Top Gun for the month of April. **Black Jack Ed** came in second, and **Abe The Crippler** came in third. Congratulations,

good shootin' pard!

CLEAN SHOOTERS

We had 2 shooters with a clean match; **Lead Poison** and **Loose Change**. **Old Campaigner**, **I.C.Moose** and **Vida-Loca** had only 1 miss for the match.

Lead Poison

Loose Change

NEW SHOOTERS

We had three new shooters this month. **Night Hawk**, **Miss Kate** and **Cemetery** shot with the Mavericks for the first time. Hope they had a good time..

Canad'jun George on Stage 3

THE COWBOY WAY

A special mention about the kind of people who participate in CAS. Thanks to all who loaned **Burban Bob** and **Miss Kate** the use of their firearms for the match. Seems like their guns never made it to the car when they left in the morning I can sympathize, since I left my 22 rifle home when I went to a 22 Rimfire match a few days ago. **Black Jack Ed** called a safety penalty on himself when no one else saw it. That's what I call the spirit of the game. But what else would you expect from cowboys..

CAMPFIRE RAMBLINGS

This was a great beginning for the Matamoras Mavericks in 2012. We didn't expect that many shooters for the first match. Many thanks to all helped set up and take down.

If anyone would like to write some stages, please feel free to contact me. It's better to get a greater range of ideas. Or maybe to include something you saw at another match.

See you next month, Sunday, May 20th...
