THE BIG JAKE AND LITTLE JAKE WARS CREATE MAYHEM AT RATTLESNAKE RIDGE MATCH

FREE GRAZING TURKEYS FORCE GUNSLINGERS TO CHOOSE SIDES

MATAMORAS, PA, June 19, 2011

The weather finally turned pleasant and may have motivated 40 gunslingers to throw lead down range, even on Father's Day!

We had shade and water so everyone got through the warm day. It turned out to be a fantastic day with a cool breeze.

Turkey Creek Vic wrote three stages for the shoot and you knew just which ones were his. Stage 1 and 2 were all about free grazing turkeys and cattle. Sides were taken and the feud will have to be resolved at a later match.

Hitting the clay birds with the pistols on stage 4 was a challenge, but most did OK.

As far as the Indians not appreciating New York City Lasagne on stage 5, I would have made them an offer they couldn't refuse.

The 50/50 drawing this month was won by **Old Bass Terd** (\$56). He also swears he never won anything in his life before that drawing.

Anita and **Cathy** provided another fine meal at the chuck wagon. We appreciate them and all the chuck wagon helpers who volunteer their time to do this.

TOP SHOOTER NAMED

Hammerin Steel was our Top Gun for the month of June.

Black Jack Ed came in second, and **Stormy Roads** came in third. Congratulations, good shootin' pard!

Enclosed are the results of the June shoot, by Total Time and by Category. Congratulations to all who placed first in their category.

WHAT'S THE CALL?

We had 2 situations we haven't experienced before. They were looked up in the rule book after the shoot and checked on the SASS Wire, and happily, both shooters got good news.

One shooter started the match at the loading table with his revolvers containing empty cartridges from a previous practice session a few days before. The rule states: *Arriving at the designated loading area with un-cleared firearms after completing a stage within the same day (assessed on the previously completed stage) will be a Stage DQ.* The penalty isn't as much about having empties in your revolvers at the loading table but rather the penalty for NOT clearing those empties from the previous stage of that day. So it is a *no call*.

The other one was about placing the first revolver on a prop instead of holstering it, without directions to do so. The stage convention rule states: Revolvers are returned to leather after the shooting string. But a shooting string is defined as shots from **one type of firearm** prior to the next type of firearm engaged. Since he holstered it after the string... *no call*.

6 CLEAN SHOOTERS

Congratulations, again, goes to **Wild Cat Kenna** and her dad, **Mighty Quinn**, as well as for **Black Jack Ed**, **Old Campaigner**, **Marshal Jacobey John** and **Tennessee Jack Sledge**. Certificates will be sent via Pony Express in the next few days. Nice going!

A FRIENDLY REMINDER

The Matamoras Mavericks is a friendly club that goes out of its way to accommodate new shooters. But we are SASS affiliated and we follow SASS rules. So, if you've shot with us before, please read the guidelines for dress at a match. A second visit to our club means dressing appropriately. For men, NO baseball caps, short sleeve shirts, shorts or sneakers.
