GUNPLAY STOPS AT RATTLESNAKE RIDGE AS 10TH SEASON ENDS. WINTER RELOADING TO BEGIN SOON

GUNSLINGERS VOW TO RETURN IN APRIL, WELL HEELED WITH LOTS OF AMMO

MATAMORAS, PA, OCTOBER 14, 2018

The weather finally got colder, but maybe a bit too brisk for some at the match, attended by 45 shooters. Everyone planned ahead and arrived with their cold weather clothing. The heavy rain and strong winds in the days preceding the match forced a departure from the standard 5 stage match... at the last minute. Stage 1 was completely under water. So we went with 6 stages utilizing 4 ranges. It all seemed to work out.

Stage 5 had two flying clay bird bonus opportunities and 25 shooters got both. Stage 6 also had two bonus opportunities and 22 shooters got both. Stage 5 also had the pistol reload challenge. 27 gunslingers tried their hand at shooting 5 and reload one as fast as possible. **Jesamy Kid** musta been practicing because he did in the fastest time...9.23 seconds! But right behind him was **Cholula Mike** who did it in 9.38 seconds! That was close!!! And congratulations to **Renegade Roper**, who was the fastest cowgirl with 11.84 seconds! They both get a free match

next year. Nice shootin'!

Hammerin Steel had a premonition about the 50/50 drawing. He thought his numbers sounded lucky and it came true! He won \$83. It's not too late for the Mega Millions drawing!!

Renegade Roper

TOP SHOOTERS

Renegade Roper was our Top Gun for the October match. **Rowdy Bill** came in second and **Cholula Mike** came in third. Congratulations to all who won their categories.

CLEAN SHOOTERS

We had 4 clean shooters for the match. Congratulations to **Chivato**, **Rowdy Bill**, **Steel Horse Cowboy** and **Wyatt Hurts**. That's some pretty nice shootin'!

APPRECIATION...

As you are well aware, it takes a lot of "doing" to put on cowboy action matches for the year. Many people pitch in to make it a

success. From setting up, having an enjoyable lunchtime meal, to tearing down... as well as participating in the matches. It takes cowboy shooters from near and far.. and our non shooting club members.. to make it a memorable event. With everyone's help, The Matamoras Mavericks are growing each year. Even though some older shooters are hanging up their firearms, we seem to also be getting new shooters. Those are the ones that will keep this fun sport alive. So if you meet one at our match, or at any match, encourage them.. and help them. It benefits everyone. **Hammerin Steel** and myself firmly believe that and will continue to make it a fun shoot at our range.

A special thanks to our chuckwagon crew. They come on their own time to prepare meals for us. And they do a great job. I heard them say.. "*Cowboys are the best people!*" So thank you **Holly** and **Steel Horse Cowboy**, **Flatlands Jim** and his wife **Mary**, **Dawn**, **Ralph** and **Gigi... the regulars!**
