VOL. 2 • No. 1

APRIL 2012

PETER BRICKNER

This was the opening match of the 2012 season and it attracted 24 shooters. Welcome back all the veteran shooters but we also saw the addition of four new competitors.

Welcome **Tony Smith, Henry Deecke, Seth Dotey** and **Jason Cameron**. **Tony Smith** and **Henry Deecke** are match officials for sanctioned IDPA matches here in PA and are a welcome addition to help structure and support our club matches.

**Seth Dotey** is a new addition to our youth (junior) shooters and performed splendidly in this match.

He beat his mentor / father in 3 of the six stages. Well done Seth! Don't worry Brent; the old adage is that the greatest compliment to a teacher is when the student surpasses the teacher. You did a great job.

The six stages were seemingly easy, straight forward and with close targets but when finally shot; they proved to be more challenging than thought at first. There is no doubt that the most fun stage was stage 2 with **Gwendolyn** sitting on your lap to start.

Believe it or not, there was actually a zero point down shooter in this match; congratulations **Sal J. Pinzone**. Single digit points down honors belong to: **Scott Quinn** (1), **Ralph Cowell** (2), **Henry Deecke** (3), **Sal B. Pinzone** (4), **Jason Cameron** (4),

**Mike Rendleman** (7), **Bill Vealey** (8), **Dick Decker** (8) **Brent Dotey** (9), and **Brendon Keegan** (9).

Overall match winner was **Peter Brickner** (67.66) followed by **Brendon Keegan** (73.83) and **Sal B. Pinzone** (76.79). **Peter Brickner** won stages 1 through 4, **Brendon Keegan** won Stage 5, and **Sal B. Pinzone** won stage 6.

Remember that not every competitor in the match is out to get the top score. There are those who choose to use their everyday carry gun with carry holster with full retention devices as well as law enforcement that use duty gear with all sorts of retention devices as well. Others simply want to practice weak hand and strong hand only shooting. It is all good in improving your defensive handgun skills.

Thoughts go to **Herb Wreden** who attempted to participate in the match but had to yield to not feeling well enough to stay even for registration. Special thanks to **Cathy Dotey** for preparing lunch and **Ralph Cowell** for shooting through so he could help **Cathy** in the kitchen.

Our next match is May 27th, a Sunday in the Memorial Day weekend. Come on out and support the Matamoros Club Action Pistol matches.

See you at the range,

**Peter**
