PETER BRICKNER

The first match of our 4th year took place under a lot less than ideal weather conditions. Winter just will not let go. There were 11 new shooters at the match and all made it through without any

major safety violations. Congratulations and welcome.

A 50/50 was held with **Quadray Posey** as the lucky winner of \$45.00. It was good to see both **Quadray** and our Junior Lady, **Mckenna Quinn**, back at the match. Some of the handwriting was pretty bad so I am not sure about some of the e-mail addresses on the new shooters. If you get this newsletter and know one of the new guys, please share the results with them.

This was the first match under our new rules of competition and it seemed welcome. There were still some IDPA shooters who played by their more restrictive rules because that is what they chose to do and that is their choice. Others thanked me for easing the rules and added that it helped them to be able to concentrate on safety rather than struggling to get through the stage correctly. If anyone has any comments, positive or negative, feel free to send them to me at my e-mail address.

I am keeping this narrative short as I am preparing to travel to shoot both the Single Stack and Revolver National matches in Illinois in a few days. Thanks to all for a safe match and enduring the persistent wind. Our next match will be May 25th and we will likely have a 3 gun stage or two AFTER the pistol match. More will follow on that in time.

See you at the range,
Peter Brickner
