

PETER BRICKNER

The opening match of the fifth year of Action Pistol competitions drew 49 competitors. There were 17 Club members, 30 non members and 2 Junior shooters in attendance. The winner of the 50/50 raffle was Raymond Clark taking home \$84.00.

The scores only reflect 48 results because we had one DQ for breaking the 180 degree rule. The competitor was very understanding of the reason why this is so important and stayed to help out for the rest of the match, watch and learn from seasoned shooters. Way to go!

When I looked at the scores for stage 1, it became apparent that practice using just strong and weak hand only shooting is needed by a lot of competitors. When you get a chance to practice, it is important to train in the techniques in which you need improvement. Don't practice what you are good at!

Thanks for a safe match and remember that the May match will be on the 5th Sunday, May 31, to avoid the Memorial Day weekend events people may be attending.

See you at the range,
Peter
