JULY 2012

PETER BRICKNER

24 dedicated competitors came out for this match and endured 2 storms that poured inches of rain in a short period of time. There were 2 Junior shooters, **Seth D.** and **Mckenna Q.** and 1 new

shooter, **Julie Murphy**. Welcome Julie!

I thought that stage 2 with 30 yard shots was going to be the match challenge but everyone was fairly close in time. The challenge was actually stage 3 not only with the drop turner and pop-up but with procedural for reloading out in the open. I was guilty

but not caught but when I did the scores I added in my procedural. Stage wins go to **Peter B.** for stages 1, 4 and 6, Stage 2 goes to **Brendon K.**, Stage 3 to **Don M.** and stage 5 to Jerry G. \$52.00 went to **Sal P.** who won the 50/50 AGAIN!

My squad finished just as the heavy rain of the 2nd storm began but the other squad had to wait it out. When I saw 4 inches of standing water on the ground surrounding the path around stage 6, I said that I would remove the stage from the match due to the conditions. Every last one on the squad would have no part of not shooting that stage. Shoot it they did!!! That kind of spirit says a lot

about the character of those competitors.

Thanks to **Cathy D.** and **Anita R.** for a delicious lunch, Thanks to all that helped set-up on Saturday, Thanks for the drop-turner **Brent D.**, and thanks to all who attended and endured the hardships nature put us through. Our next match is August 26th. I will hold a BUG gun match after the 6 main stages are shot. I will e-mail more info later.
