JULY 2016

NATHAN BLAEBE

Thank you everyone for coming to the July action pistol match at the Matamoras Rod and Gun Club. We had a total of 51 shooters at the match this month which is a great turnout considering the heat. Of those 51 shooters, 48 finished the match and we had 3 DQs listed for scoring. For those who were DQ'ed from the match you are more than welcome to come back and shoot the matches in the future. A disqualification does not make you a bad or an unsafe shooter. They are part of the game and it can happen to anyone. Treat that experience as a learning experience and use it to better

Shade and water were in demand

your pistol fundamentals and situation awareness.

I do want to apologize to everyone while I have the chance. Stage one has been removed from scoring consideration due to an inconsistency in scoring and the way the stage was

Holly got a chance to relax at the end of a hot day...

delivered to some of the shooters. This is my fault from a design perspective and stage briefing and I'll make sure that doesn't happen again. I will be making some changes to the program before the next match to help address some of these issues.

After the dust settled, **Seth Dotey** was our high shooter for the match. Seth completed the match almost 16 seconds faster than the second place shooter. Great shooting Seth! **Brian Moeller** finished the match as our most accurate shooter. Brian finished the match an impressive 1 point down for the match. Great display of accuracy from one of our new shooters. Congratulations Brian! The results can be viewed at the following link:

The August match will take place on August 28th. I do not know what the round count is at this time but I would expect it to be close to 100 rounds as usual. We may run a side match of some sort depending on the weather. For those of you who are on Facebook, please check out the **Matamoras Rod and Gun Club** page on **Facebook**. Clint and George have been updating the page with pictures of the events and providing match information and the results as well. Many of the pictures are simply outstanding and deserve some attention.

Thank you all for a great July match. I look forward to seeing you all in August.

Nathan
