PETER BRICKNER

This Memorial Day weekend match was started with a moment of silence in remembrance and in honor for all who have sacrificed and served our great Nation.

There were 30 shooters in attendance. 23 veteran club shooters, 2 youth, and 5 new shooters. Welcome **Donald Miller, Steve Hosage, Kevin Hite, Sean Murphy and Jim Hinton.**

All the stages had their level of difficulty; Stage 1 with the targets covered with shirts proved that bad guys do not wear a zero down zone on their clothes. Even though 2 targets were shot from retention at arm length away; finding that 0 down zone proved difficult. **Scott Quinn** was the only one to get 0 down. The timing to get all 3 shots on the swinger was the challenge in stage 2. **Brendon Keegan and Bill Vealy** managed to get all their shots in the zero down.

In stage 3 shooting around those darn no-threats was no easy feat. One third of all the shooters hit a hostage. Even so, **Scott Quinn, Jim Hinton and Ralph Cowell** aced the stage with a zero down. Stage 4 shooting strong hand only while moving backward proved interesting. Junior shooter Seth Dotey cleaned this stage with zero points down.

The disappearing pop-up in stage 5 took its toll on us all. Nobody aced this stage. Finally stage 6 with those 20 yard shots by the back berm required good sight picture and trigger control. **Scott Quinn, Jerry Gregg and Ralph Cowell** used their sights well scoring no points down.

Overall winner was **Peter Brickner** with **Jerry Gregg**

The shooters begin with the safety briefing by Peter, then the 50/50 winner was chosen... Kevin Hite (\$53)

second and **Brendon Keegan** coming in third. Stage 1 was won by **Jerry Gregg** with **Peter Brickner** winning stages 2 thru 6. This match was so difficult that there were neither match zero down nor single digit points down shooters.

Our junior shooters were **Seth Dotey** and

McKenna Quinn. Seth was only 10 seconds behind his Dad overall but did beat his father in stages 3 and 5. **McKenna's** overall score was put out of the running by bad hits on the complex stages of three and six. Better luck next match.

After the match, a **classifier course of fire** was
