

ACTION PISTOL *match news*

PETER BRICKNER

The forecast was for rain, showers and thunder storms for match day. Still, 49 competitors showed up for the match. We had 26 non-members with 20 members and 3 juniors in attendance. There were 7 new shooters making their first action pistol match. Welcome all! Joe Caporusso won the 50/50.

Due to the forecast, the match was changed to all steel to facilitate shooting from under cover and making target restoration easy. However, the bad weather held off until the main match had concluded.

An attempt was made to hold the BUG match with 14 people staying for that event. Unfortunately, after 3 shooters fired the first string there was a downpour of rain and thunder with lightning passing through. After a brief pause, match fees were returned and the side match cancelled.

The next match is scheduled for Saturday June 20th. There is a professional training session for those already signed up being held on the normally scheduled weekend, the 27th and 28th.

Most of the new competitors did not provide an e-mail address on their score sheet so I have no way to contact them with the results or to inform them of future match announcements. If you have a means to contact them, please pass this along.

Lastly, a Fobus paddle holster was found at the range after the match and no one has yet laid claim to ownership. Contact me if it is yours.

Thanks for a safe match and coming out to support this shooting program here at Matamoras.

See you at the range,
Peter
