NATHAN BLAEDE

Everyone, Thank you all for attending the May match at the Matamoras Rod and Gun Club. We had 56 shooters start the match with

one shooter done in to an equipment issue. Sal B Pinzone topped our overall competitor list this month while Dean Katz was our most accurate shooter. Dean finished the day down 2 points for the entire match. Congratulations Sal and Dean.

Overall, I thought the match went exceptionally well and it appeared to me that everyone had a good time. I would expect the theme of bringing plenty of ammo to continue. I want the matches to be fun but challenging and I can't think of a better way to have fun then to send a bunch of rounds

down range on the clock. While we did not get to shoot the side match this month, I would expect to see the run what you brung format make an appearance later this summer as those who shot stage 5 following that format really seemed to enjoy it.

Our 50/50 was won by Jim **Keveson** and he received 92 dollars from the drawing as a result. Congratulations Jim!

Our June match will take place Sunday, June 26. Round count is again looking like it will be close to 100 rounds for the main match. Some of you will be pleased to know that we will be giving the Texas Star and the plate rack a break for this match. You may see some other props being introduced though to offset. Our side match is tentatively in the works now. We are looking at a multigun side match. We do not think we have the time to run a full 3 gun side match so it looks like we are leaning towards a carbine and pistol match. I'll pass more info along as it becomes available.

Thank you again for attending the match. I hope to see everyone in June. If there are any questions or comments, please feel free to email me at anv time.

Nathan
