ACTION PISTOL *match news*

VOL. 3 • No. 7

OCTOBER 2013

PETER BRICKNER

The last match of our third action pistol shooting season has come to a close. There were 24 shooters in attendance with 1 new (to the club) competitor.

Welcome **Chris Gregorsky**. Winner of the 50/50 raffle was **Susan Bonnett**. We gave **Cathy Dotey** a signed card of appreciation along with a gift card as a token of our thanks for making the lunches something to look forward to after the match.

Overall winner is our junior shooter, **Seth D. Walt J.** (WT) trailed in second place by a mere 2.42 seconds. Not far behind for third was **Sal P.** Top 3 in stage 1 are **WT, John B,** and **Bruce B.** Stage 2 by **Seth D, Sal P,** and **WT.** Stage 3 by **WT, Seth D** and **Sal P.** Stage 4 by **Peter B, Seth D** and **WT.** Stage 5 by **Peter B, Seth D** and **Sal P.** Lastly stage 6 by **Scott Q, Sal P** and **Peter B.**

Zero down honors go to the Quinn clan of **Michael Sr.** and **Scott.** Single digit down honors belong to **Sal P** (3) then **Tim B** (6), **WT**(6) and **Michael Q Jr.** (6).

The side match scores are easily readable but notice that 1st place was won only by 5 hundredths of a second and the difference from 1st to 3rd was only .71 hundredths of a second. I keep saying it; little things can make a difference in results.

If you haven't noticed, these last few matches I have used a couple of stages in which the competitor was given a few options in how to execute the course of fire. I have come to hate the usual IDPA rigid manner in telling the competitor exactly how to shoot the course of fire. The reaction was very interesting to me when I told my squad of shooters some of the options on stage 2 and then when I told them to do a walkthrough, wow, did the place come alive with a sharing of ideas and plans. Next year you should expect to see more of these types of stages. If you are hardcore IDPA, all I can say is; there is an IDPA match at Wilkes Barre in two weeks. (Borrowed from WT).

Any comments, positive or negative, are welcome at my e-mail address.
