40 competitors attended this month's match which included one Lady, 2 juniors and 3 new shooters.

PETER BRICKNER

With the help of **Carlos, Amy, Phil and Jerry** in running my squad, I was finally able to mingle more with the shooters on the other squads. I was pleased to see everyone pitching in to help reset the stages and digging tools out of their cars to help with a prop repair and generally having a good time on the range.

Two things became apparent to me from reviewing the scores. First is that the target that completely flips over gave a lot of people trouble in getting good hits. Second, everyone dreaded the double targets on the pop up and clamshell in stage 5. The ones that did well took the head shots on the clamshell unlike yours truly who was determined to shoot all body shots much to my demise. A few competitors jokingly told me what I could do with this stage. The ones that did poorly, like me, tried for body shots or didn't plan a reload at the right time or had gun problems after the movers were activated.

Even so, I saw a few photo ops taken with Pecos Pete which is a creation from George Segnini's collection of Cowboy props. If you ever get the

chance to attend their monthly match you will find that he really knows how to dress up a stage.

Thanks to all for a safe match and coming out to support these events here at Matamoros. October's match is the 3rd Sunday which is October 18th. I am currently planning a Petey's Pro Am all steel stage and a blind stage as an option for those who would like to try the experience of running a stage not knowing where or how many targets there are.

John Blauvelt won the 50/50 and donated \$56 back to the club. We thank him for his generosity.

See you at the range,

Peter
