VOL. 3 • No. 4

JULY 2013

Different! That best describes the match held this month. Rain came down pretty steady for most of the morning but did break around noon letting us finish the match on the one stage that couldn't be shot from under the pop up tents. The stage designs were very much different than our usual style to allow shooting from under the tents.

PETER BRICKNER

Despite the weather, there were still 18 shooters in attendance. 14 veterans and 4 new (to the club). Welcome **Barry Ruane, Donald Seigle, Troy Weisenfluh** and **Scott Weisenfluh**. They bring with them a lot of talent and experience and it shows in their dominating the score sheet.

If you had a sense of humor, stage 2 was a lot of fun to watch but NOT SHOOT. The name should have been "Where the Hell Am I" instead of Zig Zag. A lot of the shooters became "lost" in the stage after the reload forgetting where to start again. At one point I was ready to call search and rescue but then the competitor found his way out.

Overall, the match was won by **Barry R.** with **Scott W.** and **Richard B.** taking 2nd and 3rd. I can't help but notice that our junior shooter **Seth D.** came in 5th just .23 of a second behind 4th place **Don S.** **Seth** dominated the ESP SS and was 2nd place overall in ESP division.

Stage wins are as follows: Stage 1: **Seth D** followed by **Don S** and **Barry R.** Stage 2: **Scott W.** with **Seth D.** and **Richard B.** as 2nd and 3rd. Stage 3 was won by **Barry R** then **Richard B** and **John B.** Stage 4 (Bill Drill) was taken by **Richard B.** at an amazing 2.47 sec., **Barry R** was 2nd and **Peter B** was 3rd. Stage 5 was taken by **Scott W** followed by **Barry R** and **Don S.** Lastly, stage 6 winner was **Barry R** then **Scott W** and **Richard B.** As far as accuracy, there were no zero points down shooters this match but there were two single digit points down competitors; **Carlos M** (7) and **Richard B** (9).

After a lunch break 7 competitors stayed and participated in the 3 gun side match. We whipped together a 26 round course of fire using paper, clay birds for rifle

and shotgun targets as well as the Texas Star. The clay birds at 25 yards were a demanding target with the rifle; I think Tim B was the only one who shot them one for one.

The 3 gun match was won by **Scott Q.** at 67.66 clean. **Seth D** came in second and would have bested **Scott** by .26 seconds had he shot clean also. 3rd place was taken by **Bent D.** The usual leader is **Sal P.** but he fell to 4th after being hit with equipment issues.

Thanks to all who came and participated. Many thanks for all the help in resetting the stages in the rain and for your patience in dealing with the adverse conditions and unusual stages. **Cathy D.** and her helpers always deserve recognition for volunteering their time to make lunch for us. Next match is August 25; see you at the range,

Peter
