PETER BRICKNER

This month's match drew 52 competitors, three were juniors and three were ladies. The 3-gun match afterwards drew 22 shooters of which 2 were juniors. The winner of the 50/50 was Dan London who immediately donated the \$90.00 back to the club, "to keep the matches going." THANKS DAN! Ray Castillo was unable to complete the match so only 51 scores are shown.

The pistol match seemed well received and ran smoothly enough that we were done by 1:30pm. No major safety violations were reported but it is still apparent that some folks need to work on keeping that muzzle downrange.

Next month's match will be on October 19th and I have one stage planned out as a "blind stage." For those who don't know, that means no one but me will have any idea of how the stage is laid out nor where or how many good guys there are nor where or how many bad guys there are. There will also be 4 zombie targets included. Another stage will be all steel with limited number of rounds similar to the Pro Am steel matches.

The 3 gun match turned out to be extremely difficult; at least the rifle portion. In reviewing the scores, I decided to separate the shotgun/pistol part

into it's own match (SG). That part will have some meaning to your standing or rank. The rifle part is another story. Only 2 (according to the scoresheets) were successful in spinning the one target. Some shooters quit after firing the 4 required rounds at the spinner while others made a more serious attempt at the challenge. THUS, the standing or rank has very little meaning and is why I separated it into it's own match. ALSO, only 2 people put down their division which is why everyone is listed as NFC. I upped the challenge this time since I was told the last rifle match was way too easy. Something in between seems to be in order for the next 3-gun event.

See you at the range,
Peter

Match Stages

STAGE 1: LEFT THEN RIGHT

Facing up range to start then turn and draw and engage 4 targets with 2 rounds each. Total of 8 rounds.

STAGE 2: BOTTOM THEN TOP

Engage 3 targets in sequence (1-1-2-1-1) to the body, reload, then 1 to each head. Limited number of shots. Total of 9 rounds.

STAGE 3: SQUARE DEAL

Touching the barricade to start, then engage 8 paper and 4 steel from within the shooting area. Total of 20 rounds.

STAGE 4: PAPER vs STEEL

Gun loaded in box with reloads on table. Engage paper with 2 rounds each and steel until down. Total of 12 rounds.

STAGE 5: COLLATERAL DAMAGE

On signal, engage 2 targets with 2 rounds each, pick up briefcase and engage last target with 2 rds. to the head. Total of 6 rounds.

STAGE 6: NEAR AND FAR

Engage 8 paper with 2 rds. each and 4 steel until down from within the shooting area. Total of 20 rounds
